MEMO #4 COVID 19

Dear Sisters and Brothers,

On March 17, 2020 we issued a member memo stating that as a result of the COVID-19 pandemic, IUOE Local 882 would close our office to our members and the public until further notice.

It has now been over a month that our office has been closed to members and the public and we are now in a position to **allow member and public access to the office effective April 27, 2020. Our restrictions until further notice will be one member at a time in the general office area and for members to call ahead to let the office staff know when you will be attending.**

In addition to **closing the office on March 17, 2020** we also **cancelled our March 31, 2020 Executive and General Membership meetings** due to health department restrictions on group gatherings. **We have also recently made the decision to cancel our upcoming April 28, 2020 meetings.** We look forward to seeing you at our May 26, 2020 meetings.

As always, to keep you and your family safe, healthy and informed on the COVID-19 pandemic, we encourage you to visit the [Government of Canada's coronavirus information](#), the [BC Centre for Disease Control](#) and your local health authority website to receive the latest information.

In Solidarity,

Adrian David
